### **David Barfield Named President of Bartech Workforce Management and Senior Vice President of Bartech Group**

---

LIVONIA, Mich., December 18, 2007— David Barfield has been named President of Bartech Workforce Management (BWM) and Senior Vice President of Bartech Group. Barfield will continue to report to Gary Peck, Executive Vice President and Chief Operating Officer of Bartech Group. BWM is a Managed Service Provider (MSP) offering a full range of contingent workforce solutions to large users of contingent staff and, is a division of Bartech Group. Bartech Group has been a leader in the Human Capital Industry since 1977.

“David Barfield is responsible for growing BWM from an idea to an industry leader that manages over \$800 million in MSP related staffing expenditures. BWM is one of the largest MSPs in the country and has a reputation for delivering benchmark quality performance as it successfully competes with much larger firms,” said Gary Peck.

Barfield began his professional career with Xerox Corporation in 1988, where he worked as an Account Executive responsible for marketing the firm's products and services to high volume customers in the Washington, DC market. He holds a Bachelor of Arts degree from Georgetown University, and a Master of Business Administration from the University of Michigan Business School. Mr. Barfield serves on the Board of Directors of several organizations including Cleary University, The American Society of Employers, and the Ronald McDonald House of Ann Arbor. He joined The Bartech Group in 1995.

Headquartered in Michigan, The Bartech Group is among the largest independent human capital staffing firms in the United States. With about \$200 million in revenue, the Company operates under three divisions: Bartech Technical Services, Bartech Workforce Management, and Bartech Managed Solutions. Bartech specializes in engineering, information technology and professional staffing services; business process outsourcing solutions; and vendor management solutions. The Company employs over 3,000 employees nationwide. For more information on The Bartech Group please visit [www.BartechGroup.com](http://www.BartechGroup.com).
