Mary Beth Vansen Named Vice President of Bartech Workforce Management

LIVONIA, Mich., January 7, 2008— Mary Beth Vansen has been promoted from Director of Operations to Vice President of Operations at Bartech Workforce Management (BWM). Vansen will continue to report to David Barfield, President of BWM. BWM is a Managed Service Provider (MSP) offering a full range of contingent workforce solutions to large users of contingent staff and, is a division of Bartech Group. Bartech Group has been a leader in the Human Capital Industry since 1977.

“Mary Beth was very instrumental to the success of BWM as she helped to build a world class implementation organization. I have been extremely impressed with her ability to manage multiple, complex projects with consummate professionalism and expect her future contributions to the Company will be numerous,” said Barfield.

Mary Beth Vansen joined BWM in 2004. Before coming to BWM, Vansen was the Vice President of Infrastructure Services for the Human Capital Management division of MSX International. In her 10 years at MSX International she held a variety of key roles including Director of Global Support Services and Director of Global Supplier Relations. Vansen was instrumental in developing and implementing their first global VMS solution for Ford Motor Company in the USA and the United Kingdom, in 1994 and 1996 respectively. Mary Beth holds a Bachelor of Business Administration from The University of Detroit.

Headquartered in Michigan, Bartech Group is among the largest independent human capital staffing firms in the United States. With about \$200 million in revenue, the Company operates under three divisions: Bartech Technical Services, Bartech Workforce Management, and Bartech Managed Solutions. Bartech specializes in engineering, information technology and professional staffing services; business process outsourcing solutions; and vendor management solutions. The Company employs over 3,000 employees nationwide. For more information on Bartech Group please visit www.BartechGroup.com.
